**AGREEMENT FOR INSTALLATION OF UNDERGROUND CABLE AND FACILITIES**

\_\_\_\_\_ hereby requests Northwestern Wisconsin Electric Company to install underground cable to the electric service entrance located on the following described property:

\_\_\_\_\_

and agrees to the following conditions:

1. The feasibility of the installation shall be determined by the Company at a location mutually agreed upon as provided under the company extension rules. The property owners will furnish an easement for right-of-way.
2. Any advance payment required under the Company extension rules shall be made before installation.
3. The Company shall be notified in advance of any changes in grade after the underground electric facilities have been installed and the Company shall be reimbursed for any and all costs incurred to relocate cable and associated facilities as a result of such change.
4. The Company is not liable for damage to trees, shrubs, lawns, fences, sidewalks or other obstructions incident to the installation. The Company is not liable for repair, maintenance or replacement of underground facilities unless caused by its own negligence.
5. It is the customer's responsibility to locate any customer owned underground telephone, cable TV, gas, electric lines, sewer, water pipe, drain tile or other facilities and agrees that the Company will not be responsible for damage to any facilities.

Please list such facilities \_\_\_\_\_

\_\_\_\_\_ and include a site map of such facilities.

Show the location of the located and marked facilities on the back of this sheet or separate drawing.

If there are no underground facilities on the property, place a check in the box below.

No underground facilities present.
