STATE BUILDING INSPECTOR LIST

All new dwellings need to be inspected before electric service can be provided. When your new home or cabin has been wired, and the meter socket has been installed, contact your township's inspector. Northwestern Wisconsin Electric Company will receive notification from the inspector when the new service has been approved. The following is a list of each township's inspector in our service area:

BURNETT TOWNSHIPS

Jon Mattson 715-648-5444 Daniels Lincoln Meenon Oakland Scott Siren Trade Lake Wood River	REM Inspecting LLC 715-598-4487 office@reminspecting.com Anderson Blaine Grantsburg Jackson Swiss Union Webb Lake West Marshland

State Industrial Inspector Steven Rasmusson 608-617-2985 steven.rasmusson@wisconsin.gov
