

104 South Pine Street PO Box 9 Grantsburg, WI 54840

UNDERGROUND RELEASE AGREEMENT

Northwestern Wisconsin Electric Company (NWE) will be installing a pole and/or burying electric wire on your property. NWE will contact Digger’s Hotline and they will dispatch trained locators to detect and mark only the following lines in our work area within 3 working days:

- 1) Electric wire between NWE’s main line and your electric meter.
- 2) Telephone Company-owned lines to your service.
- 3) Natural gas lines to your house.
- 4) Village Maintained sewer and water lines.

ALL “OTHER” UNDERGROUND FACILITIES ON THIS PROPERTY ALONG THE FLAGGED WORK ROUTE ARE YOUR RESPONSIBILITY TO LOCATE AND EXPOSE BEFORE CONTRUCTION WILL COMMENCE.

.....

I _____, the property owner, acknowledge that the items checked “YES” exist on the property described below and agree to locate and expose these items which exist underground along the NWE white flagged work area. I further agree that NWE is not responsible for damage to any facilities buried underground which are not marked and exposed along the white flagged work route.

YES NO Are any of the following items buried beneath NWE’s flagged route?

- 1) Private electric lines (to sheds, lights, exterior outlets, etc.)
- 2) Propane/ fuel oil lines
- 3) Sewer/septic lines
- 4) Water lines
- 5) Drain tile
- 6) Outdoor wood stove lines
- 7) Satellite dish wires
- 8) Sprinkler systems
- 9) Other buried items: describe _____
