The Wisconsin State Electrical Code is issued and administered by the Public Service Commission and the Department of Labor and Human Relations as part of the Wisconsin Administrative Code. The Public Service Commission has primary responsibility for issuance and administration of Volume 1 which is found in PSC chapter 114. The Department of Industry, Labor and Human Relations has similar responsibility for issuance and administration of Volume 2 which is found in chapter ILHR 16.

Copies of the code may be ordered from the Wisconsin Department of Administration, Document Sales, 202 South Thornton Avenue, Madison, WI 53702 (608-266-3358)

WISCONSIN STATUTE PSC 114.003 (2), (a), (b)

114.003 (2),(a) REGULATION OF ELECTRIC WIRING. (a) Compliance with the requirements of Volume 1, Wisconsin State Electrical Code, is required before a utility may provide electric service even though some portions of the code may not be directly enforceable by state agencies. See s.101.865, Stats. The authority for the enforcement of Volume 1, Wisconsin State Electrical Code, is vested in the public service commission with respect to the installation and operation of circuits or equipment by public utilities and railroads in the exercise of their functions as utilities and railroads.

IMPORTANT: Before electricity can be furnished, this written statement, signed by the Wisconsin Licensed Master Electrician doing the wiring, must be submitted to the office of Northwestern Wisconsin Electric Company. Please note that the wiring, prior to connection, must also be in compliance with certain additional installation requirements of the utility which are not stated in the Wisconsin State Electrical Code. Details are available at our office.
